ITINERARY

8:00 A.M.
ARRIVAL

Check-in at the meeting spot. Light refreshments will be provided.

Arrive on time and ready for adventure. Give yourself a little extra time in the morning so you can settle in, meet the team, and dive straight into a full day of hands-on learning and trail experience.

Bring your completed waiver to streamline check-in. Having your signed waiver ready ensures a quick, smooth registration process so you can focus on the fun -- not the paperwork.

Make sure your Jeep is trail ready. Before attending, confirm that your vehicle is in solid mechanical shape, up to date on service, and equipped for a day of learning, driving, and exploration.

Come curious and willing to learn. Our instructors are here to help you gain confidence in your Jeep® 4x4 and deepen your understanding of off-roading, recovery techniques, and overlanding. The more questions you ask, the more you'll get out of the experience.

8:30 A.M. - 4:30 P.M.
DAY ON THE TRAIL. LUNCH PROVIDED

Throughout the day, you'll learn the art of guiding your vehicle over challenging terrain, develop advanced spotting and terrain strategy skills, tackle technical rock crawling sections, and practice winching and recovery techniques. Every challenge takes place in an instructor-led environment where you can push your limits safely.

4:30 P.M. FAREWELL

As the day draws to a close, all vehicles return to the initial meeting spot where the day's adventures are shared (return times may vary pending weather, trail conditions, etc.). Jeep Adventure Academy merchandise will be available for purchase.
